

# Focus on five (teachers)

- W.** Keep your 2<sup>nd</sup> period together in their chapel sections and practice decorum.
- I.** Encourage students to seek out teachers when struggling with course work.  
**Example: Chemistry tutoring sessions Tues-Thurs Rm 115 3:25-4:05**
- S.** Remind students that they need 10 service hours by the end of this semester.  
**Assist students in finding opportunities.**
- E.** Encourage students to engage with teachers when coursework or specific grades are low. Help them seek out solutions through communication.
- R.** Keep academic areas of the building clean by encouraging students to leave open food items in the commons space and away from halls and classrooms.

# Focus on five (students)

- W. Witness to each other often (especially in chapel). Witness your faith and commitment to be a Christian by your actions. This will encourage others to do the same.
- I. **Seek out teachers when you are struggling with course work.**  
**Example: Chemistry tutoring sessions Tues-Thurs Rm 115 3:25-4:05.**
- S. **Remember that you need 10 service hours by the end of this semester.**  
**Watch announcements for opportunities and ask teachers for ideas.**
- E. **Engage with teachers when coursework or specific grades are low. Seek out solutions through communication.**
- R. **Keep academic areas of the building clean by leaving open food items in the commons space and away from halls and classrooms.**
