This law requires that each year, before beginning practice for an interscholastic sport, a student athlete and the student athlete's parents must be given an information sheet, and both must sign and return a form acknowledging receipt of the information to the student athlete's coach.

IC 20-34-7 states that an interscholastic student athlete, in grades 5-12, who is suspected of sustaining a concussion or head injury in a practice or game, shall be removed from play at the time of injury and may not return to play until the student athlete has received a written clearance from a licensed health care provider trained in the evaluation and management of concussions and head injuries, and at least twenty-four hours have passed since the injury occurred.

Parent/Guardian - please read the Concussion Fact Sheet for Parents and ensure that your student athlete has received and read the Concussion Fact Sheet for Students. After reading these fact sheets, please ensure that you and your student athlete sign this form and have your student athlete return this form to his/her coach.
